(you will need to join your strips to get the length on the border)

## Cutting

**From each of the fabrics 1 to 10 you need to cut**

6 x  $4\frac{1}{2}$ " x  $8\frac{1}{2}$ "

**From fabric 1 cut**

1 x  $2\frac{1}{2}$ " x 59" inner left-side border

1 x 3" x 63" outer right-side border

1 x  $2\frac{1}{2}$ " x  $51\frac{1}{2}$ " inner bottom border

1 x 3" x 56" outer top border

1 x  $3\frac{3}{8}$ " x  $3\frac{3}{8}\frac{1}{4}$  cut in half diagonally once - outer border

1 x  $2\frac{7}{8}$ " x  $2\frac{7}{8}$ " cut in half diagonally once - inner border

**From fabric 6 cut**

1 x  $2\frac{1}{2}$ " x 59" inner right-side border

1 x 3" x 63" outer left-side border

1 x 2½" x 51½" inner top border

1 x 3" x 56" outer bottom border

1 x 3¾" x 3¾¼" cut in half diagonally once - outer border

1 x 2⅞" x 2⅞" cut in half diagonally once - inner border

### From fabric 11 cut

71 x 2" x 8½"

### From fabric 12 cut

60 x 4½" x 4½"

120 x 2" x 2" for blocks

42 x 2" x 2" sashing

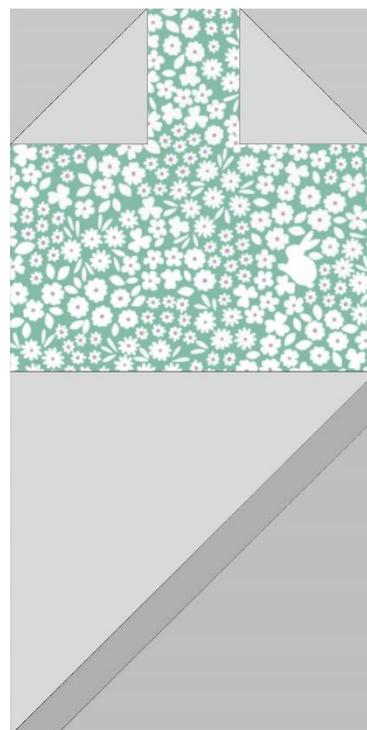

Making up the block

Take four of the 2" x 2" fabric squares, draw a diagonal line on the back of each one. Do the same to two of the 4½" x 4½" fabric squares adding an extra line (this will be ½") to one side only.

Place the squares onto your 4½" x 8½" fabric piece.

left side

right side

On the top squares stitch down the centre line (I tend to sew just outside the outer pencil line) On the bottom squares stitch on both lines, again the one in the centre as before. Cut a ¼" away from the pencil line. Press back

On the bottom square cut in between the two pencil lines after you have stitched the lines (with the piece you have cut away you can make this into a smaller quilt. Resize the square)

You will end up with 30 of the left side of blocks and 30 of the right side.

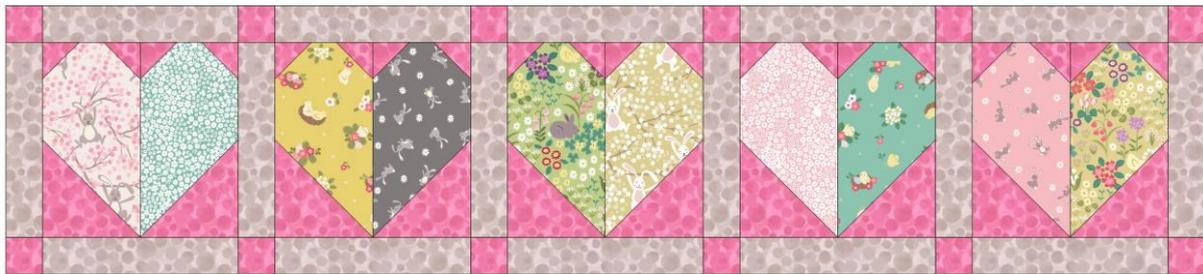

Next match the block pieces together as in the main diagram. Sew the two halves together to complete the block.

Pressing the seams open. You will end up with 30 blocks in total.

### Making up the quilt centre

Lay out the blocks, squares and sashing as in the main diagram.

First row will be a square and then a sashing strip. On this row press the seams to the right. On the next row sashing strip and a block.

This one you will press to the left; this will help when you sew your rows together. When you have completed the centre of the quilt add the borders.

Stitch the four sets of triangles together to make up the squares as in the diagram.

Sew each inner side borders as in the main diagram. Next stitch a square to the bottom right inner border strip and the other one to the top left inner border strip. Sew to the top and bottom.

Do the same to the outer border to complete your quilt.

### **Quilting**

Sandwich quilt top, wadding and backing together. Quilt by hand or machine as desired. Trim backing and wadding to size of quilt.

### **Binding**

Use your favourite method from fabric 11 to bind the quilt.
